Re: Village Notification System

Dear Resident:

The Village of Ilion now has a Village-wide notification system. The notification system will send voice alerts via cell/landline phones and/or text messages or email during emergency events, including but not limited to; snow emergencies, flash flooding, power outages, and boil water advisories.

We are presenting the opportunity for approximately 1,000 residents to sign up for the pilot-program on a first come – first serve basis. **It is required to text “Y” to 64779 to receive notifications via text message.** If you would like to receive alerts via phone and/or email, please choose one of the following options:

- Complete the information below and drop off or mail to Village of Ilion Municipal Hall or;
- Call (315) 895-7449 ext. 3231 to provide your information or;
- Email Nicole Carbone, Account Clerk, at nicole@ilionny.com with your complete information.

Sincerely,

Nicole Carbone  
Village of Ilion – Account Clerk
